

## You

Who would be the Hiring manager for a job at unilever titled: "Industrial Placement - Research and Development (R&D)"

## Copilot

The specific hiring manager for the "Industrial Placement - Research and Development (R&D)" position at Unilever isn't typically listed in public job postings. However, you can reach out to Unilever's recruitment team for more details. You can contact them via email at [futurecareers.recruitment@unilever.com](mailto:futurecareers.recruitment@unilever.com) or by phone at +44 20 3650 2304<sup>1</sup>.

Is there anything else you'd like to know about the application process or the role itself?
