I'm creating a video for my football edits YouTube channel that will consist of the best football moments I've seen live (2013-2024), i currently have a plausible title which is "The best football moments I

Copilot

That sounds like an exciting project! Your title is off to a great start. How about something like:

"Epic Football Moments: Live from 2013-2024"

Or if you want to emphasize the personal aspect:

"My Top Live Football Moments: 2013-2024"

These titles highlight the timeframe and the fact that these are moments you personally witnessed, which can make your video more engaging for viewers. What do you think? Do you have any specific moments in mind that you'll be including?
