What format is the service account for vertex ai agent builder in?

Copilot

The service account format for Vertex AI Agent Builder is `AI_PLATFORM_SERVICE_AGENT: service-PROJECT_NUMBER@gcp-sa-aiplatform.iam.gserviceaccount.com`. You can use a custom service account to grant fine-grained access control for Vertex AI jobs and models, allowing different permissions for different resources or scenarios. If you need further assistance, feel free to ask! 😊
