Here's a draft for your LinkedIn post to invite others for market research before the launch of your business.

🚀 **Seeking Insight!** 🚀

Hey everyone!

I'm gearing up to launch Akhtar Hasan Software Solutions, a new venture aimed at providing top-notch software solutions to businesses and individuals. Before the official launch, I would love your input to ensure we meet the needs of our future clients.

🔹 **What We Offer:**

- Small Scale Simple Projects: Quick and efficient solutions for basic programming needs.
- Medium Scale Projects: Custom OOP-based solutions for more complex requirements.
- Large Scale Projects: Comprehensive software applications tailored to client specifications.

To better understand your needs, I'd appreciate it if you could take a few minutes to fill out a brief market research survey. Your feedback will be invaluable in shaping our services.

(Now Sunday, Mar 9)
Okay so I sent the previous LinkedIn message however the amount of form responses was scarce, so how can I follow up requesting more people to fill out the forms especially.
Also how can I send an informal WhatsApp message to my friends and other contacts also regarding the forms?

To boost engagement with your forms, you can craft a follow-up LinkedIn post and a friendly WhatsApp message. Here's how you can approach both:

Follow-Up LinkedIn Post

💡 **Your Feedback Matters!** 💡

Hey everyone,

First off, a huge thank you to those who took the time to fill out the market research survey for Akhtar Hasan Software Solutions. Your insights mean the world to me as I work to shape services that truly meet your needs!

For anyone who hasn't had a chance yet, it's not too late! It'll only take 2–3 minutes to share your thoughts, and your input could really help make this vision a success.

Your help in spreading the word is also greatly appreciated—if you know anyone who might be interested, feel free to share this post with them.

Thanks again for supporting this journey! 🙏

Let's build something amazing together! 🌟

This kind of post emphasizes gratitude while creating urgency and encouraging sharing.

Informal WhatsApp Message

Hey [Friend's Name],

Hope you're doing well! 😊 I'm working on launching my business, Akhtar Hasan Software Solutions, and I'm gathering some feedback to make sure I hit the mark with my services. I've put together a super quick survey (literally 2–3 minutes). Would you mind filling it out? Your insights would mean a lot to me!

And if you know anyone else who might be able to help, feel free to share the links with them. Thanks so much! 🙌

This casual tone makes it personal while keeping the message short and friendly. Adjust it to suit how you'd normally communicate with your contacts! Let me know if you need help tweaking these further. 😊
